

# Winter Update

Harmony School January 2016

## Save the Date – March 19<sup>th</sup>, 2016

Mark your calendar for Saturday, March 19<sup>th</sup>, 2016! Harmony School is holding our first-ever Spring Fling fundraiser – a fun-filled Saturday afternoon for families and friends!! We are working on the plans now and will share the details just as soon as they are finalized. Please make plans to join us!

## Flood & Reconstruction

Our key focus area in this project is to ensure that the building is up to date with current building code, fire/safety, and access requirements. To this end, our architect/engineering and construction team have met with City of Forest Acres and SC DSS officials to discuss these requirements. This groundwork will help facilitate a smoother review process once our completed permit application is submitted for review. Plans and drawings will be unveiled during our March family event and afterwards will be displayed in a public location.

Our plan is to start the actual construction phase at the end of the 2015/16 school year to minimize impact on our families during drop-off and pick-up hours. We do not anticipate a significant impact on our summer program as we will coordinate material deliveries with our construction team and utilize weekend work hours whenever possible.

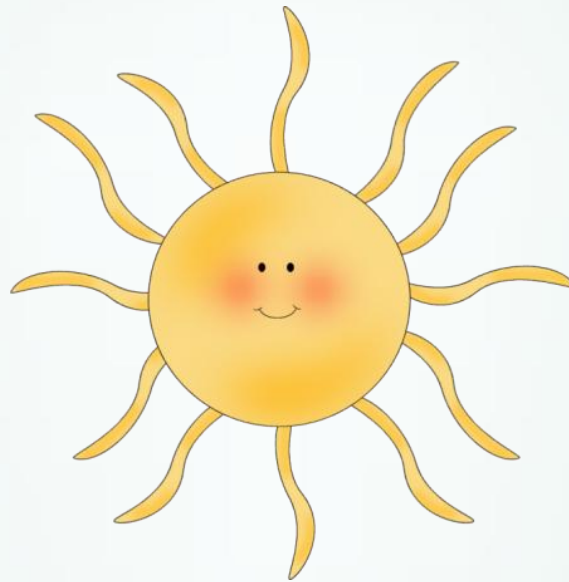

Call Board member Tim Vandenberg @ [\(803\)250-1832](tel:8032501832) with any questions.
